

16th March, 2020

Dear all,

As you are aware we are going through an exceptional situation due to the outbreak of COVID-19. Since the outbreak is not expected to be mitigated until in May-June 2020, the EASDec Board members have decided to **postpone the EASDec meeting to 5-7 November 2020**. The venue will be the same: Hotel Alimara, Barcelona. The registration will be maintained and so those for people who have already been registered it is unnecessary to make any additional arrangements. We foresee that the program (round tables, lectures, oral presentations, posters) will go ahead as circulated. Deadline dates for new registrations will be updated on the website very soon.

Yours sincerely,

Professor Rafael Simó
President of EASDec (on behalf of the EASDec Board)
